

Capt Jepp and the Little Black Book: How Barnstormer and Aviation Pioneer Elrey B. Jeppesen Made the Skies Safer for Everyone

Capt. Jepp and the Little Black Book is a fascinating look at the fledgling years of aviation in America. It is also the compelling story of the amazing life of Elrey B. Jeppesen—Capt. Jepp—daredevil barnstormer and wing walker of the 1920s, intrepid airmail and airline pilot of the 1930s, and creator of an aerial navigation system in use today worldwide.
