

Finn (Endangered Fae Book 1)

Lost and starving, Finn wakes to a poisoned world, but a man comes to him, a white light in the darkness---can a centuries old pooka find what he needs with a heartbroken, modern man? When Diego rescues a naked man from the rail of the Brooklyn Bridge, he just wants to get the poor man out of traffic and to social services. He gets more than he bargained for when he discovers Finn is an ailing pooka, poisoned by the city's pollution. To help him recover, Diego takes him to New Brunswick where Finn inadvertently wakes an ancient, evil spirit: the wendigo. While they struggle to find a way to destroy the wendigo before it can possess Diego or kill nearby innocents, Diego wrestles with his growing feelings for Finn. Kill the monster and navigate a relationship between a modern man and a centuries old pooka. Piece of cake.
