

# Discourses of Rav Yosef Dov Halevi Soloveitchik on the Weekly Parashah: Darosh Darash Yosef

Principally drawing from end-of-Shabbat lessons and discourses given by the Rabbi Yosef Dov Soloveitchik during his time in Boston, this compendium also includes Soloveitchik lectures from his tenure as the rabbi of Congregatino Moriah in Manhattan and his summer lecture series. Compiled by Rabbi Avishai David, a student of Soloveitchik's, this collection serves as a comprehensive introduction to the thought of one of the great Talmudists of the 20th century, a man who drew from a vast reservoir of Jewish and general knowledge to bring Jewish thought and law to bear on the interpretation and assessment of the modern experience.
