

OneShul Community Siddur (Prayerbook)

The OneShul Community Siddur is the official siddur for the OneShul.org community. It is a unique prayerbook written and compiled by community members of OneShul, the world's only community led online synagogue. The siddur is gender inclusive, LGBT friendly, and showcases the many ways that Jews can connect to prayer, both traditional and contemporary. The prayerbook contains three daily prayers (shacharit, mincha, ma'ariv), blessings for the holidays, food, events, and reflections on prayer, including a piece by author Matthue Roth (Yom Kippur A Go Go, Never Mind the Goldbergs). This makes the OneShul Community Siddur a great place to begin, or to continue your Jewish spiritual practice. In only a few minutes a day, you'll be able to take part in an integral experience in the Jewish Tradition, a link to the generations before us and the generations to follow.
