The first three STANDALONE novellas in the Tasting Series ~ Tasting Texas ~ Beth Garrett spends every waking moment with the love of her life, The Long Branch Saloon. The popular southern bar is a much needed escape from the reality of living in a small Texas town. Never one for drama, Beth swears off screwing around with men from her own backyard, and spends most of her nights alone. That is until fate has pity on her and sends the occasional handsome stranger through town. That's exactly what happens when Eric Alexander comes to Sommerville on business. After a long meeting, Eric ends up at The Long Branch to blow off some steam. With the help of Beth's best friend Wren, the sexy New Yorker challenges her to a game of pool in exchange for an unforgettable Texas experience. Just as Beth thinks she has Eric eating out of the palm of her hand, Wren decides to stir the pot. Now she has to decide if the reward will be worth the risk in this steamy novella, the first in The Tasting Series.

~Tasting New York~ Hope Fairbanks is ready to cut the purse strings. She longs for the day that her affluent family will quit trying to buy off her dream of traveling the world as an art broker. When she lands an internship at an elite NYC art gallery, Hope believes she's finally on her way to freedom. That is until her first major assignment is to assist the highly sought after painter, Jonah Dempsey, with an upcoming show. The eccentric, older artist unleashes Hope's creative side by stripping away her

inhibitions. ~Tasting Nashville~
When Joselyn Tillman finds herself alone, she decides to throw caution to the wind and shoot for the stars. After packing up everything she owns, Joselyn wrangles herself a job at The Bone Picker, which just happens to be the local hangout for the country music industry. When the stars align and fate places her in the path of the swoon worthy Steve Diesel, head of his own label, Joselyn believes she's finally on her way to the big time. Everything is on track until the handsome, Country Rock heartthrob, Dean Covington, derails her plan. With a gentleman's heart to match his huge muscles, Dean invites Joselyn to move in until she can get on her feet. As they find themselves under the same roof, tension mounts, anger flares, and attraction is undeniable, leaving Joselyn with a choice to make. Her contract and Steve? Or her heart and Dean?
