

Sweet Contradiction (The Contradiction Series Book 1)

When Beth Michaels high tailed it out of the hole-in-the-road town she grew up in, she only had two goals. Oneâ€™ get as far away as quickly as possible, and twoâ€™ never set foot in her parentâ€™s home again. But when she receives a heart breaking call from her childhood best friend, Jen, she has no choice but to turn her â€™56 Ford pickup back in the direction of Salem, Missouri to attend a funeral. Thereâ€™s a new local in town when Beth arrives, and suddenly, it ainâ€™t all that easy for her to remember her rules for dating. #1. Cookie-cutter-perfect guys ainâ€™t her type. #2. Tie wearinâ€™ and church frequentinâ€™ is an automatic dismissal. #3. Most importantly, never date anyone from small minded, conservative, Bible-thumping towns like Salem. Unfortunately, Matthew Wright breaks all her rules and then some. Matt might be from a small town and have small town values, but that doesnâ€™t mean he fits into a little slot of Bethâ€™s preconceived notions. After all, ever so often good guys are good. Now if he could just convince Beth to let go of her past and give him a chance, heâ€™s pretty sure thereâ€™s a whole lotta sweet under that prickly exterior. His own â€™ Sweet Contradiction. ***FAIR WARNING: If you are easily offended by books that happen to mention things concerning God, Religion, Etc., in a favorable or unfavorable light, then this book might not be for you.***
