

Step Three - Parenting Your Inner Child: A Step To Living Consciously In An Ego Driven Society (Volume 3)

Time tested proven system for taking transformation and turning you into highly productive and aware being. This means no more suffering, no more wondering what you need, be present to experience your life from the moment of creation, intend and manifest the only reality you truly desire, understand and love your what you truly are. Primary Objective: Introduction To Concept Parenting Your Inner Child. This workbook allows you to deeply integrate the process of healing. You do this by giving your Inner Child a chance to let go of the past. You will connect with your younger self, and feel gratitude for the lessons you have learned. Letting the ego point you to areas that create a long forgot experience in your body. You create aliveness, playfulness, an exploratory nature and most of all you bring back your childlike enthusiasm for life! Our program helps you set up new behaviors/beliefs to put firmly in place. We do this by putting emphasis on transformation.
