

# Someone Forgot to Mention Change Is Hard, Second Edition

During the 2008 Presidential election, the author recounts Obama advocating, We want change ...change ... change, and people responding, Yeah, we want change, we want change. Now that change is here, its like Wow! Ouch! Change is HARD! In her book Someone forgot to mention, Change is HARD, the author poses as the readers guardian angel helping oyu face the changes happening today. Learn the qualities and mindset a good leader develops in facing changes and difficulties by dissecting an entrepreneurs mind. Motivate and show how to start leading your own life and following your own dreams. Become a visionary, learn bootstrap financing and everything in between - all with childlike fearlessness. Make a change. Be a leader!
