

Spiritual Blindness, the Costliest and Deadliest Cancer of the Century

Pastor and Professor Duvard Francois is a powerful and talented preacher, one of the twenty-first century's outstanding men of God. Grounded firmly in the Word of God and well known for his expository sermons, Rev. Francois surprises us yet again with his magnificent book, *Spiritual Blindness: The Costliest and Deadliest Cancer of the Century*. In a world where people perish due to a lack of knowledge, Professor Francois holds that believers must be adaptable to constructive violence. This violence only exists to address such a burning as is found in Matt. 11:12, Since the time of John the Baptist until today the Kingdom of heaven suffers violence, and the violent take it by force. WHAT OTHERS ARE SAYING! invite experts to read this book with a spirit of criticism in order to enjoy this succulent work of theologico-arts. And for this reason, it is necessary to rid oneself of all stereotypical sectarianies, doctrinal or intellectual, with the idea to enter this imposing work with open heart in order to penetrate all of its ranges.
