

An Apple Trail Novella Series, Bundle 2 (An Apple Trail Novella Series Bundle)

A bundle of Keri Fords last three novellas in The Apple Trail Series. Collection includes: Making Her Nights Satisfying Her Tastes Chasing Her Trail Making Her Nights Chief Deputy Mike Gabel is the man in charge in Apple Trail. No one gives him more trouble than Tiffany McBride. While her stunts are frustrating enough to deal with, itâ€™s the constant way she keeps him trapped in knots that sends him over the edge. Tiffany has a reputation for act now, thinkâ€™never. Sheâ€™s been betting and causing trouble since her parents died when she was a teenager. What looks like a young woman sewing her wild oats, is actually desperate measures to gamble for extra money to put food on the table. When these two acknowledge their attraction, sparks flyâ€that is if Mikeâ€™s public position can survive Tiffanyâ€™s frowned upon reputation. Satisfying Her Tastes Blondes have more fun? Pfft. Bad Girls have more fun. Rebecca Gabel was accused of being a bad girl and she discovered life was easier (and more fun!) to live up to the reputation than try to deny it. But now with a new comer in town whoâ€™s taking her up on her suggestions, Rebecca is a little out of her element. Thereâ€™s talking the talkâ€and then thereâ€™s having to walk it.

Grant Iverson recently inherited land from his mother, so heâ€™s arrived in Apple Trail, Arkansas to check the place out and see if there are any treasures hidden there. What he doesnâ€™t expect to find is a woman full of curves and a mouth of pure sin, but

whose eyes reflect nothing but curious innocence. Chasing Her Trail Jessie McBride barely survived the unexpected death of her loving parents. Forced to fend for herself with few people to depend on while raising her younger cousin, Jessie learned to be self-sufficient. She kept a few friends close and pushed the rest of the world away, along with that helpless, dependent girl she was once. Been there, done that, never again. It works until Henry Green enters her life, with sentimental tales of his grandpa and family. Jessie is drawn in as Henry strives to take care of the man who raised him. But while Henry is putting things in place for his grandpa to retire, his well-intended controlling ways are smothering Jessie. Can Henry's invitation back to life and love tempt Jessie to drop the emotional wall, or will Henry give up on chasing the girl she once was?
