

Righteous Character & Social Interactions

This is a masterpiece in Islamic academic works on Hadith. This work is authenticated by a rigorous and detailed process of Takhreej - referencing each hadith to its sources - from a study of over 300 authentic works of hadith. Righteous Character and Social Interactions presents sayings and actions of the Prophet Muhammad concerning interactions with non-Muslims and non-Muslim communities, his method of prayer and spiritual devotion, his status and characteristics, and provides clarification of other important issues of the age, such as Jihad, Terrorism, Khawarijism, and Tassawuf. This work will be useful for academics in many relevant fields, whether researching the basis of orthodox Sunni belief and practice, or examining the contemporary Muslim response to religious extremism. It is split into 2 volumes: Prophetic Virtues and Miracles and Righteous Character and Social Interaction.
