

# A Guide for Preachers on Composing and Delivering Sermons: The Or ha-Darshanim of Jacob Zahalon, A Seventeenth Century Italian Preachers Manual (Moreshet Series; 11)

Banned by the Inquisition in 1693, fourteen months after the authors death, this manual by one of the Italian Jewish communitys most effective preachers has remained unpublished since then. But this guide to composing, organizing, and delivering sermons is remarkably valuable. The vital questions of the sermons length, problems of organization, opening and conclusion, the preachers use of examples, his manner of speech and gesture--all these are taken up in Rabbi Zohalons work.
