

Wolfs Touch (Caedmon Wolves Book 3)

Wolf shifter Jayson Truman is captivated by his boss's daughter. He finds himself fantasizing about the many ways he'd like to have his way with Arianna Klein. Despite her dad's strong connections to the Caedmon community, he and Jayson have never seen eye to eye on any matter. Lusting after his daughter only adds fuel to the flames. Their long-standing business relationship begins to unravel. Jayson is warned to stay away from Arianna. Cutting family ties seems like Arianna's only recourse to regaining control of her life. Steering clear of her father is easier said than done especially when she holds the key to his business's success--or failure. And as if her life weren't dictated enough by men with oversized egos, add Jayson to the equation and his many attempts to lay claim to her. If he thinks she's going to swoon at his feet like a sex-crazed maniac, he's got another thing coming. But Jayson may very well be the pawn she needs to get her out of the mess that her father has built. Jayson will put his life on the line for Arianna, but will he gain her love and acceptance in return? *Wolfs Touch* is Book Three of the Caedmon Wolves series. Books One through Six are also available now.
