

Four Seasons of Romance: Winter, Spring, Summer, Autumn / Fall (Four Seasons Set Book 5)

The Complete Four Seasons Set
Winter: A Christmas Gift Holly and Caleb were best friends as children, but as teenagers they couldn't be further apart. But when Caleb unexpectedly asked Holly to help him pick out a Christmas present for his girlfriend, neither of them anticipated where it would lead. A sweet festive read. Spring: The Fake Valentine When Anna's boyfriend dumped her just before Valentine's Day, she teamed up with the other girls ex in an attempt to win them both back. But faking a relationship with gorgeous Charlie was starting to make Anna rethink what and who she really wanted! Suitable for 13 + Summer: A Summer Thing When Oliver lied at getting it on with Chloe over the summer, he never expected her to transfer to his school. Convincing Chloe to pretend to be his girlfriend was the only solution, until he found himself falling for the girl who didn't even like him. Autumn / Fall: All Hallows Eve Baby sitting her sister's sleepover on Halloween wasn't Eve's idea of fun, especially when she found the girls conducting a magical ceremony. Getting sucked into the Underworld was clearly some nightmarish hallucination, but being there as the date of the sexy Lord of the Dead was a dream she was more than willing to have, just so long as she made it out in time for school on Monday. A fun modern take on the Hades and Persephone Myth. Four novelettes in one from Stella Wilkinson, best-selling author of The Flirting Games
