

The Islamic Antichrist

The Bible predicts in the last days a charismatic leader will establish a global following in the name of peace. Islamic prophecy also predicts that a man will rise up to lead the nations, pledging to usher in an era of peace. Islam's savior is called the Mahdi. However, the man in the Bible is the Antichrist. Joel Richardson's stunning research and analysis suggest the Mahdi and the Antichrist may actually be one and the same. In *The Islamic Antichrist*, Richardson exposes Western readers to the traditions of Islam and predicts the end times may not be here. Richardson's revelations will stun readers who are unaware of the similarities between the Antichrist and the Islam's expectations about a returning Jesus. His explanation of the relationship between Christian end-time prophecy and Islamic expectations of world domination has shocked readers and revolutionized eschatological expectations for a generation. *The Islamic Antichrist* is the book to read for insights on the world's fastest-growing religion and the future of the world.
