

Eternity Embraced (Demonica series)

Desire! Demon slayer Andrea Cole has always taken down the demons and vampires she hunts without mercy. But when a fellow slayer is captured and turned into a vampire by a sadistic monster, she must choose between loyalty to her family and the man she loves. Versus Instinct! Kaden Quinn has dedicated his life to slaying vampires, so when he is turned into one, his greatest nightmare comes to life. And when the woman he loves is thrown into a dungeon with him as food he must battle new instincts and old desires, and choose between his life, and hers. NOTE: This is a short novella that originally appeared in The Mammoth Book of Vampire Romance 2 and the anthology Vampires in Love. It has been expanded for its stand-alone digital release. In the Demonica timeline, it falls between book 4, Ecstasy Unveiled, and book 5, Sin Undone, though it can be read without having read the Demonica novels.
