

Little Princes: One Man's Promise to Bring Home the Lost Children of Nepal

“Funny, touching, tragic. A remarkable tale of corruption, child trafficking and civil war in a far away land” and one man’s extraordinary quest to reunite lost Nepalese children with their parents. Neil White, author of In the Sanctuary of Outcasts Little Princes is the epic story of Conor Grennan’s battle to save the lost children of Nepal and how he found himself in the process. Part Three Cups of Tea, part Into Thin Air, Grennan’s remarkable memoir is at once gripping and inspirational, and it carries us deep into an exotic world that most readers know little about.
