

The Return of Jesus Christ: The Return of Jesus Christ, Its Purposes for the Church, Israel and the World

The many events that are going on in the world today are a wakeup call or a trumpet blast, which announces that the end is near, the Lord Jesus Christ, is coming soon. The transcendent revelation of the future is recorded in the plan of God for our time of great uncertainty. Mankind has the unique alternative to believe in God in order to survive. May this insightful book increase our knowledge of the Word of God, bring light to this civilization of deep darkness where love and ethic seem to disappear progressively and may it prepare our mind to face the future and deepen our love for Jesus Christ. Although the return of Jesus Christ does not sound attractive for the wicked, however, it predicts great joy and happiness for the believer.
