

Advanced Team Facilitation: Tools to Achieve High Performance Teams

Make your teams more resilient and effective by facilitating their activities and moving them to a higher level of performance. Advanced Team Facilitation offers insights into typical team problems and offers practical strategies, tools, and techniques for managing them and getting your teams back on track. This practical workbook provides detailed steps that any team leader can use to diagnose and resolve team problems. This manual is also appropriate for third-party facilitators and external consultants and trainers.
