

Reading Between the Lines: The Basics of Handwriting Analysis (Llewellyns Self-Help Series)

Read and follow the procedures in this book and you will come away with the ability to take any sample of handwriting and do a complete analysis of character and personality. You may even go forward to use the skill as a professional tool, or as the basis for a profession. This self-teaching textbook teaches how to analyze handwriting, how to counsel others, and how best to use the subject once learned.
