No matter how much we study and experiment, our best efforts as parents get lost in translation.... This book is the closest thing we have to a Dead Sea Scrolls for parenting. - Charlie Capen, Author of The Guide to Baby Sleep Positions; HowToBeADad.com

What do you say when your child gets caught in a fib? Or asks you about the birds and the bees? With The Parents Phrase Book, you no longer have to worry about coming up with the right response on the spot. Written by Whit Honea, a parenting expert whose advice has appeared on BabyCenter, Babble, and the Huffington Post, among others, this valuable guide provides you with the key language and tactics you will need to deal with a

variety of parenting situations. Inside, Honea explains why his approach quickly resolves issues and why so many of the parenting phrases you hear on the playground may actually encourage children to misbehave. From tackling sibling rivalry to handling bullies at school, The Parents Phrase Book will help you connect with your child and address even the toughest parenting dilemmas.
