

The Gift Boxed Set (Books 1, 2 & 3): The Billionaires Love Story

Read the first three books from The Billionaires Love Story, a contemporary romance serial set in New York. Tobias Stone, a billionaire hedge fund owner, has plenty of wealth but lives an empty life devoid of love. Struggling to come to terms with his past, he uses his wealth to insulate him from the real world where everything can be bought. Even sex. Savannah Page, a debt-ridden single mom, has come to New York with her young son, Jacob, to make a fresh start. Struggling to make ends meet, she is determined to make a good life for both of them. What happens when the billionaire with too much money, meets the single mom with too much heart?
