

Old Fashioned

Former frat boy Clay Walsh has given up his reckless lifestyle and settled down to run an antique shop in a small Midwestern college town. Determined to put his partying ways behind him, Clay has become notorious for his lofty and outdated theories on love and romance. But when Amber Hewson, a free-spirited woman with a gypsy soul, rents the apartment above his shop, Clay can't help being attracted to her spontaneous and passionate embrace of life. New to the area, Amber finds herself surprisingly drawn to Clay and his noble ideas, but her own fears and deep wounds are difficult to overcome. Can they move beyond their differences and their pasts to attempt an "old-fashioned" courtship?
