

Fantasy and Other Tales of Magic

A collection of fairies, leprechauns, werewolves, ghosts, and misbehaving young women in need of a turn over a man's knee. Six stories where magic isn't the only thing necessary to keep the rabble rousers in line, the smack of a palm upon their red, hot bottoms. In this collection you will find: Ruby and the Wolf, Knight on the Fairy Mound, Fantasy, A Legacy in Green, Raven's Nest: Branduff's Story and Raven's Nest: Trent's Story.
