

Thin Ice: A Novel (Men of Valor)

After losing her parents in a car accident and her sister to a house fire, Christy Reed has been mired in grief. Life is finally starting to feel normal again when an envelope arrives in the mail--addressed in her sister's handwriting. And the note inside claims she is still alive. FBI Special Agent Lance McGregor, a former Delta Force operator, is assigned to reopen the case, but he's coming up with more questions than answers. If Ginny Reed is still alive--who is the woman buried in her grave? Where is Ginny? And is Christy a pawn in a twisted cat-and-mouse game--or the target of a sinister plot? As he digs deeper, one thing becomes clear: whoever is behind the bizarre ruse has a deadly agenda. Bestselling author and two-time Christy Award finalist Irene Hannon warms readers' hearts as they root for a romance between Lance and Christy, but she pulls out all the stops as this high-stakes thriller chills to the bone in a race to the finish.
