

The Koren Birds Head Haggada: A Hebrew/English Pop-Up Passover Haggada (Hebrew and English Edition)

This unique Haggada is inspired by the Birds Head Haggada, one of the oldest Haggadot still extant, dating back to the end of the 13th century, which is in the collections of the Israel Museum, Jerusalem. The Jews are depicted with bird heads. The Haggada is richly illustrated with movable pop-ups, showing the baking of Matzot, the ten plagues, the Crossing of the Red Sea, and other major scenes pertaining to Passover. These pop-ups are entertaining for adults and children. The Hebrew text is based on the Koren Haggada with English translation.
