

The Winding Road Home (The Other Way Home Book 4)

Popular fiction author Sally John's first series The Other Way Home (more than 65,000 copies sold) comes to life with a fresh, new cover for a new audience of readers. In A Winding Road Home, the fourth book of the series, two stories are beautifully woven together. Kate Kilpatrick has only one goal—a byline above the fold in a high profile newspaper. But Tanner Carlucci challenges her determination to put career above everything. Adele Chandler gave up on love long ago. A single mom, her priorities are raising her teenage daughter and directing the community's nursing home. Then two men enter her life and change it forever. Sorting through new decisions and consequences, Adele is forced to look at her heart and wonder if love can bloom there again. The Winding Road Home is an inspiring story about how God is a sure Guide through unplanned detours along life's way.
