

## Nacho Figueras Presents: High Season (Polo Season)

Perfect book for the beach.  
--Library Journal  
World-renowned polo player and global face of Ralph Lauren, Nacho Figueras dives into the world of scandal and seduction with a new fiction series set in the glamorous, treacherous world of high-stakes polo competition. Georgia never wanted to be a jetsetter. A plain old country vet was fine for her. But one distress call from her best friend and the next thing she knows she's neck deep in the world of polo's most elite international players--complete with designer dresses, fine champagne and some of the most gorgeous thoroughbreds she's ever seen. Some of the most gorgeous men too...Alejandro Del Campo needs his team to win the season's biggest polo tournament or else he's not sure how much longer they're going to be in business. What he doesn't need is some sassy new vet telling him how to run his business--and distracting him at every turn. But as they come closer and closer to the championship match, it soon becomes clear that Alejandro wants to win Georgia just as much as the tourney trophy. But can he ever convince her his world is where she truly belongs?
