

Unlimited Memory: How to Use Advanced Learning Strategies to Learn Faster, Remember More and be More Productive (Mental Mastery Book 1)

Kevin Horsley Broke a World Memory Record in 2013... And You're About to Learn How to Use His Memory Strategies to Learn Faster, Be More Productive and Achieve More Success. Most people never tap into 10% of their potential for memory. In this book, you're about to learn: How the World's Top Memory Experts Concentrate and Remember Any Information at Will, and How You Can Too. Do you ever feel like you're too busy, too stressed or just too distracted to concentrate and get work done? In *Unlimited Memory*, you'll learn how the world's best memory masters get themselves to concentrate at will, anytime they want. When you can easily focus and concentrate on the task at hand, and store and recall useful information, you can easily double your productivity and eliminate wasted time, stress and mistakes at work. In this book, you'll find all the tools, strategies and techniques you need to improve your memory. About the Author: For over 20 years, KEVIN HORSLEY has been analyzing the mind and memory and its capacity for brilliance. He is one of only a few people in the world to have received the title International Grandmaster of Memory. He is a World Memory Championship medalist, and a two-time World Record holder for The Everest of memory tests. Kevin is also an author of four books, and the designer of a times table game with the Serious Games Institute at North-West University Vaal Campus. Kevin is a professional speaker, and assists organizations in improving

their learning, motivation, creativity, and thinking.
