

## Outlander 2017 Wall Calendar

In 1945, WWII nurse Clair Randall is transported back in time to the 1700s Scotland. Here she encounters civil war, villains and unrest, and dashing Highland warrior Jamie Fraser. The lives of the heroic characters of the outrageously popular Outlander TV series play out against the lush backdrop of the Scottish countryside--an alchemy of romance, time travel, and historical drama! Based on the equally popular book series by Diana Gabaldon--an international bestseller for 20 years!
