

# Have Mother, Will Travel: A Mother and Daughter Discover Themselves, Each Other, and the World (P.S.)

Glamour magazine called *Come Back*, the first nonfiction collaboration by Claire and Mia Fontaine, the “best mother-daughter memoir,” while the New York Times Book Review praised it as, “a testament to the power of the love.” The Fontaines are back with *Have Mother, Will Travel*, a beautiful, thoughtful, insightful, inspiring book that brilliantly captures the changing relationship between a mother and her adult daughter. Seen within the context of an unforgettable round-the-world adventure, the emotional milestones reached and the new understandings and appreciations achieved will warm the heart and nourish the soul—an extraordinary journey that should not be missed by armchair travelers and by mothers and daughters everywhere.
