

The Pomfret Prayerbook

The Pomfret Prayerbook is designed for occasional use at weddings or Bar and Bat Meetzvot, where it can be given to guests inexpensively. While it can be used for regular weekly services, much of the festival content has been shortened, and extra space has been given to explanations for various prayers. Above all, this book is designed to make the Friday Night service easy to read and sing even for those who are encountering the text for the first time.
