

Prince of Tricks

When desire rises, angels will fall. One, by one, by one... Demons of Elysium, Book 1

Over the past century, Belpagor has made a name for himself in Heavens Demon District as a cardsharp, thief, and charming rogue. Though the airspirit is content with his own company, he enjoys applying the sweet sting of discipline to a willing backside. Angel, demon, even the occasional human. Hes not particular. Until a hotheaded young firespirit steals his purse-and his heart. Now hes not sure who owns whom. A former rent boy and cutpurse from the streets of Raqia, Vasily has never felt safer than in the arms-and at the feet-of the Prince of Tricks. Hes just not sure if Belpagor returns those feelings. Theres only one way to find out, but using a handsome, angelic duke to stir Belpagors jealousy backfires on them both. When the duke frames Vasily for an attempted assassination as part of a revolutionary conspiracy, Belpagor will do whatever it takes to clear his boys name and expose the real traitor. Because for the first time in his life, the Prince of Tricks has something to lose. Warning: Contains erotic sex: m/m, m/m/m, m/m/m/m...oh hell. Lets just say mmmmm! and be done with it. Also one m/f scene. Smart discipline meted out with a great deal of love and charm. Erotic sex acts requiring copious amounts of elbow grease.
