Read on your PC, Mac, smart phone, tablet or Kindle device. Are you being bullied? Are you having to put up with constant threats from someone, being made to do things against your will or having to tolerate the malicious remarks and taunts from others? You might be the subject of consistent gossip in the workplace, having upsetting pictures of yourself posted on to social websites or being picked upon purely because you seem a little different in some way. We have all had to tolerate bullying at some time in our lives but the severity of this and how well we cope with the repeated bombardment of physical and psychological attacks affects us all differently. At best we may become annoyed and release our tensions by telling someone else but others of us feel so humiliated by the whole experience that we bottle it away, distance ourselves from others, become depressed and at worst, take our own lives. Maybe we are not aware there is so much help out there for us, ways to overcome bullying and specialized people and groups in whom we can place our trust and seek advice. This is where this book comes in. The author himself has had to endure the traumas of childhood bullying and even as an adult as well. His aim is to help the reader eliminate bullying in their life too. A combination of extensive research and experience has enabled the

author to provide a multitude of options to the target of the bully, whether this is in school, online or in the workplace. In fact it covers bullying in many walks of life and suggests many tips and tricks to overcome this most ruthless of behavior. The book provides the reader with an interesting background into the history of bullying and gives us a thorough understanding in why the bully feels he has to take his problems out on others. This book will supply you with all the ammunition you need to fend off the bully, to be more open to others about the way you are being treated and ultimately to totally eradicate bullying from your life.
