

Dragon Twins Bride: A Paranormal Menage Baby Romance

One secret royal. Two dragon princes. An irresistible destiny. A Yore orphan! Phuong had her life planned out. She had one last job before she'd be able to retire in luxury and comfort. She'd use her skills one last time before safely disappearing. Getting caught during the heist wasn't part of the plan. Being freed by two dragon princes wasn't part of the plan. And now they're telling her that the three of them are mated. Two dragon shifters! Gaharriet and Olivier didn't expect to find their fated mate in an auction house. When the sexy Yore girl comes into their lives, everything changes. They know in their hearts that she belongs to them. The only problem? She doesn't know if she should listen to her heart and stay with the princes or stick to her plan. ***Guaranteed HEA, no cliffhanger, no cheating***
