When his sexy old flame disappears, no one thinks it's suspicious except Jack and one unbalanced witness. Jack feels in his gut that something is wrong. He knows that Marisa has a past, and if it ever caught up with her it would be deadly. Determined to buck the critics and listen to his instincts, he and his feisty sidekick Alice (aka Replacement) plunge ahead and start tracking down leads, hoping to find Marisa in time. The trail leads them into all sorts of trouble—landing them smack in the middle of an all-out Mob war between the Italian Mafia and the Japanese Yakuza. When evidence surfaces that Marisa was kidnapped, Jack must navigate through the warring parties, assassins, and cold-blooded hit men to outwit the cunning kidnappers before it is too late. As the body count rises, the stakes in this game are life and death—with no rules except one—Jacks are Wild.
