Katherine is living her dream of working as a business executive for a large company. That is until her bosses ask her to sign her name to something legal, but very unethical. Katherine quits because her good name is worth more to her than a cushy salary. With savings to hold her over for a while, Katherine takes a leap of faith and joins the Peace Corps. On the way to her assignment, she meets a very handsome man traveling abroad as well. They have an instant connection and things quickly heat up. Katherine wants to stay focused on her task, but that is easier said than done. Follow Katherine as she embarks on the journey of her life. Will she find love, happiness, or misery, in the deepest parts of the jungle?
