With insight and humor, Jodi Okun takes you inside the often murky world of paying for college. First as a financial aid consultant at Occidental and Pitzer colleges, and then in her own successful consulting business, College Financial Aid Advisors (CFAA), Jodi learned firsthand the struggles families endure to find financing and pay for college. In SECRETS OF A FINANCIAL PRO, she demystifies the process and presents sensible solutions any family can use as they go through what can be a complicated and intimidating affair. No matter where you are in the college financial aid process, this book will be an invaluable resource. Understand what you should be doing--and when you should be doing it--to set yourself up for the best possible outcome when managing the cost of a college education. Learn how to find and apply for every type of financial aid, including FAFSA, grants, scholarships, and loans. Find out how to give your student the financial skills they'll need for life--it all starts in college by helping them manage expenses and money.
