What if God designed marriage to make us holy more than to make us happy? By popular demand, the author of Sacred Marriage returns to the topic of how God uses marriage to expand our souls and make us holy. With all new material, Devotions for a Sacred Marriage explores how God can reveal himself to you through your marriage and help you grow closer to him as well as to your spouse. Fifty-two devotions encourage you to build your marriage around God's priorities. From learning to live with a fellow sinner, to the process of two becoming one, to sharing our lives as brothers and sisters in Christ, Devotions for a Sacred Marriage challenges couples to embrace the profound and soul-stretching reality of Christian marriage.
