Check with the seller before completing your purchase. This book is designed to help learners choose, change, or confirm career choices. The Career Fitness Program is firmly focused on today's career realities and economy—with sufficient breadth to encourage change and growth for learners of all ages, backgrounds, and circumstances. User-friendly, easy to read, and appropriate for all learners, it provides three teaching and learning career handles—choice, change, and confirmation—that help students find their career fit™. For career choice, the book follows the standard sequence of career search and decision-making issues—Personal Assessment, World of Work, and Job Search. For career change, it offers critical questions that go beyond facts and figures to help learners focus on “What’s in it for me?”—especially when changing careers. For career confirmation, it provides

direction, understanding, and reassurance, showing learners how skills acquired in college are transferable to the world of work. Also Available with MyStudentSuccessLab. This title is also available with MyStudentSuccessLab an online homework, tutorial, and assessment program designed to work with this text to engage students and improve results. Within its structured environment, students practice what they learn, test their understanding, and pursue a plan that helps them better absorb course material and understand difficult concepts.
