

Omnipresence?

A straight forward, sublimely crooked tale of, very simply put, the Creation of the Universe. Courtesy of the powers that be, Omnipresence will provide you with an exceptional point of view. In the court-side omniscient seat you will witness the exquisite and rapturous rendezvous of the very forces that forged our one and only Universe. Through twists and turns of fate and fusion, River Sol's prose will tangle your senses beautifully with thought-provoking and creatively engineered prose. So what are you waiting for? Plug in your prefrontal lobes and watch the Universe unfold before you, an experience most worthy of unforgetting; this story has been kept behind the closed doors of the space-time continuum for eons immemorial....until now..
