

Love Lessons Book 2 (Contemporary Romance)

Love Lessons is the second book in the Love Lessons Collection. Lacey, the small town Kindergarten teacher, has screwed up royally. Still reeling from the heated one night stand with a handsome green eyed stranger, Josh, she discovers to her horror that Josh is also the father of one of her students! To make matters worse, even after discovering that Lacey is his son's teacher, a very married Josh doesn't seem to want to end things. When Lacey turns to Eric, her best friend and co-worker, for guidance, she realizes she has genuine feelings for him, but is afraid to tell him the whole truth about all the changes in her life. Will Lacey be able to find love in the midst of all of this deception or will she continue at failing the grade? This book contains exciting and naughty descriptions of romantic activity that are sure to leave you hot and breathless.
