

My Utmost for His Highest

While technology, society, and life in general seem to constantly change, the Word of God remains constant through the generations. Oswald Chambers captured the heart of God in his teachings over a century ago, and his straightforward yet profound wisdom continues to challenge and encourage minds today. Millennials have been praised for their idealism, and My Utmost for His Highest will spur you to think about the deep things of God ... and how you can live abandoned to Him. This edition features updating by James Reimann. Â
