

The Dirty Little Secret About Maintaining a Consistently Clean Building: A Facility Managers Guide to a Cleaner Building

Jason Stalnecker has been in the cleaning industry for over 10 years, and he feels its important provide cleaning services that place the utmost importance on the health and safety of a buildings occupants. His goal is to help facility managers experience an ultimate transformation on the cleanliness of their buildings. Each day they arrive to their building, facility managers should have peace of mind knowing that their building(s) will be clean, sanitary, appealing and € ready to impress current occupants and visitors. Not only should a facility manager no longer deal with complaints about cleanliness throughout the day, but they actually receive compliments on their buildings appearance. You too can finally have a building that is consistently clean.
