

The Logical Soul: Eliminate Self-Sabotage in 30 Minutes or Less for Success, Wealth, Love & Happiness

FORGET EVERYTHING YOUVE HEARD about the Law of Attraction and Inner Child Therapy! You believed in miracles. You tried repeating affirmations, setting goals, and thinking positively every waking moment. You even learned tapping, vision anchoring, hugging teddy bears and hypnosis. You did all the right things ... then WHY doesnt success show up more often?? Dr. Michael Craig presents a stunningly frank review of how and why the Law of Attraction works on a much deeper level than weve been led to believe by the success gurus and motivational teachers. He states plainly its not your fault, and explains how he discovered something called the Seed of Failure that shoots down 95% of us who try to fake it til you make it ... before we even take action! Craig also discovered that any conscious effort to root out this seed only makes it stronger! The Seed of Failure is like the infamous Kudzu plant that grows in the southern United States. The more you try to root it out, the more persistently it grows into your life, your mind, body, and blocks all your attempts to succeed. Dr. Craig explains that your body is, in essence, telling you youre not really in charge! Repeating affirmations and even using the best goal-setting programs can never bring lasting success because subconscious HIDDEN DECISIONS block your results at every turn. In this revolutionary book, Dr. Craig leads you step-by-step into his discovery of a method that can

eliminate all self-sabotage and remove all hidden barriers to accomplishment! You will learn:

- The 5 Levels of Decision-Making
- The 3 Selves & How to Harness Their Power
- No Limits: Getting Beyond the Wall
- Divine Listening
- The 4 Steps to Really Powerful Affirmations
- How to Overcome Ancestral Influence
- And Much, Much More ...

You will also learn how simple biofeedback tools can help you tap into an unlimited reservoir of wealth, love and happiness.
