

Artscroll: Haggadah From Bondage to Freedom by Rabbi Abraham J. Twerski

Rabbi Abraham J. Twerski, M.D. has the uncanny ability to combine the wisdom of the Torah with the science of the mind. In this Haggadah, From Bondage to Freedom, he does just that, taking us from the bondage of our personal Egypts to the promised land of self-fulfillment and joy. The introduction includes fascinating essays on spirituality and the festivals, the meaning of the Exodus, and the significance of the four cups of wine. The commentary is suffused with explanations and anecdotes that reveal the lessons we are to take away from the Seder night, among them, increased spirituality, gratitude to Hashem, and enhanced devotion in prayer. This Haggadah is indeed a testimony to the eternal relevance of Torah! Full color soil resistant laminated cover.
