

The Clever Detective: Story 1 (A Fairy Tale Romance)

Book I in The Clever Detective series by Linsey Lanier. I loved this story. What a great sense of humor you have.~ Marilyn Baron (author of Follow an Angel, A Choir of Angels, The Stand-in Bridegroom) You are such a good writer. Great story with all the romantic elements. Nice job.~ Susan Carlisle (author of Heart Surgeon Hero...Husband?) After six years as a private investigator, Stacey Alexander has the strangest day of her life when she falls down a hollow tree and meets her new client, a nutty old dude with a crown who thinks he's a king. She'd climb right out of there, except that the crazy dude wants her to find his missing son, the Prince. And that is one hot-looking male. She'd be crazy herself not to take this case. This short story is about 4700 words.

THE CLEVER DETECTIVE SERIES
