

The Cooke Brothers: Prairie Brides, Books 1-3

Welcome to Clear Creek! One of the wackiest towns in the old west, and home of The Cooke Brothers! Three Englishmen taming the Oregon Territory with their fists, their guns, and impeccable manners! His Prairie Princess: Harrison Cooke went to get his mail, discovered it was stolen, and set out after it. But he just wanted to retrieve his mail, not rescue a damsel in distress! Sadie Jones never dreamed the stage would be robbed and she herself taken along with the rest of the loot! After all, being kidnapped was the last thing on her mind that morning. Unfortunately it was the foremost thing that afternoon. Her Prairie Knight: Colin Cooke saw Belle Dunnigan for the first time and thought heâ€™d seen an angel! Until she walked into the arms of her aunt, Mrs. Irene Dunnigan! The self-righteous, cantankerous owner of the mercantile ruled with an iron fist and hated everyone, especially the Cooke family! What a pity Belle was so attracted to Colin Cooke, the one man her aunt hated most of all. His Prairie Duchess: Duncan Cooke was slated to become the next Duke of Stantham! Problem was, he had to get married in the next thirty-eight days or lose it all. Worse, there wasn't a single female around Clear Creek for hundreds of miles. Except one â€” Cozette Duprie lived life disguised as a boy for so long, she had no idea how to be a girl. And if her father had any ideas of marrying her off, who on earth would want her? No one. For how could any man want a wife who couldn't utter a word?
