Together Ken and Nancy continue to provide this valuable service at our center twice monthly and they've expanded their reach by sharing their professional training and direct pet loss counseling expertise with the completion of *The Pet Loss Companion*. Their compassion for both pets and the people who love them is palpable in this concise, easy-to-read guide which offers understanding, solace, and hope to anyone struggling with the loss of a cherished animal companion, no matter the circumstances. The loss of a companion animal is a unique, yet not unique, grieving process not always well

understood by others. This book connects and thereby supports people at a time of what can be isolating grief, providing a life raft or light to navigate the process. Its also a helpful tool--whether as a gift or for personal awareness--for those looking for some guidance in supporting family and friends coping with pet loss. -- Heather Cammisa, President & CEO, St. Huberts Animal Welfare Center, Madison, New Jersey
