

Federal Income Tax Return Fraud Exposed!

Are you an overtaxed American living at home or abroad, looking for relief from the economic recession? You just found it... read on (this vital report is no laughing matter, and it might keep you up late nights wondering why and how this could all be true)! Have you ever wondered if there were a true legal way to avoid paying income taxes, without evading the tax man? Wonder no more, the answer is here! In this short report the facts set forth reveal exactly why it not only is possible, but highly likely that you qualify to get back every penny in income tax you may have paid for the past seven years, and never need to pay it again... In this remarkably revealing report you will discover the meaning and difference between internal and external revenue. Never heard of external revenue before? You'll wonder why not, once you learn the facts about what internal revenue actually is, and is not. You'll also find revealed in the pages of this brief report the unique truth about consent versus compulsion. Finally, revealed inside is the exact and eye-opening definition of excise taxes, and why your compensation or take home pay is anything but... In fact, you might just be more than a little angry with yourself, once you find out how the IRS has fooled you and so many other Americans into paying taxes you and they simply don't owe! You don't want to miss this startling, compelling, easy-to-understand treasure map to your very own personal Fort Knox (unless you enjoy giving so much of your hard-earned money away each

year).Also unveiled inside is the dynamite key to staying out of court, being charged with perjury despite being 100% truthful, or perhaps even going to prison for a non-crime, as other less knowledgeable innocent Americans have.The author has personally used this knowledge for more than 44 years, without a hitch. Its the only way you have left to keep yourself safe from the growing tyranny of the rapacious tax court.FAIR WARNING: You might actually hate the author, once you see what he has to say, not because it isnt true, but rather because it sadly is all too true.Yet, youll be mighty glad you took the time, and uncovered this treasure trove map to true prosperity, hidden right under your nose in plain sight all along!In this report you will discover how and why you should:Never pay a tax you do not owe!
